You need to reinstall SQL Server 2008 R2. The error that the databases from the installation of SQL Server 2008 R2 does not work means that the database files are not there. Updated ELSAwin Server I am working on updated ELSAwin Server, which includes newer version of some components and improvements. Check out new version @: for the latest version. ELSAWin Setup ELSAWin Template ELSAWin Sample to get started with installation of Elsawin. Vascular endothelial growth factor mediates the inhibition of liver regeneration in cirrhosis. Many studies have shown that vascular endothelial growth factor (VEGF) and bcl-2 are involved in the regulation of liver regeneration. The aim of the study was to investigate whether VEGF, bcl-2, and the interaction between them mediate the inhibition of liver regeneration in cirrhosis. Rats with liver cirrhosis were made by an injection of carbon tetrachloride (CCl₄) at a dose of 0.5 ml/kg through the jugular vein 3 times a week for 8 weeks (n = 17). ba244e880a
