With Windows 10, you can use the Microsoft Store as a portal to Windows Store apps. Microsoft Office 2013 Free Download For Windows With Complete Setup.1. Field of the Invention The present invention relates to an infrared absorbing member used as an infrared shielding member for blocking infrared rays and an infrared ray shielding member comprising the same. 2. Description of the Related Art As a conventional method for making an infrared absorbing member by coating or otherwise laminating a powdery infrared absorbing material on a support of a plastics material or glass material or to obtain an infrared ray shielding member using the infrared absorbing member, (1) coating technique of applying a dispersion of fine powder of an infrared absorbing material in a solvent, and (2) coating technique of applying an aqueous dispersion of fine particles of an infrared absorbing material by spray coating have been used. On the other hand, as a coating technique of applying a coating material on a support by electrodeposition, (3) coating technique of applying a coating material onto a substrate by an electrodeposition process (plating) has been widely used. However, (1) the coating technique has difficulties in controlling the 3ef4e8ef8d
