This tutorial teaches you how to install and use Photoshop on your PC or Mac. It also gives a brief overview of the different tools and menus. RELATED ARTICLE: 15 Photoshop Tips and Tricks You Didn't Know Existed For beginners, you may want to start with Photoshop Free instead of Adobe Photoshop Elements. The difference between the two is that Photoshop Elements can only edit images that you have previously purchased and included in your Creative Cloud membership (you can get a 30-day free trial, which is usually enough). In the end, it's up to you. Adobe Photoshop and Adobe Photoshop Elements work differently and behave differently as well, so we'll be exploring both of these options on this page. If you are new to Photoshop, or you have been using Photoshop without much success, then you might consider trying tutorials such as these: [How to Fix a Messed-Up Image in Photoshop, Part 1 and Part 2](#). A fourth page of illustrations will give you an idea of the final appearance of each animation. Following the natural disaster in the Philippines on August 14, the ability to communicate in the affected areas has been lacking. However, the people who have remained resilient despite the tragedy have used the internet to connect with one another. On Saturday, a post appeared on Twitter that shows the Facebook group rescue and relief operations for the Southeast Asian country. There are now 24,118 rescue workers on the ground, according to the website. CNET: Hurricane survivors
